Program XV International symposium «Controversies in glaucoma: focus on innovations in diagnostics and treatment of glaucoma and comorbidities»

December 3, 2026

15.00 **The opening remarks.**

15.00 - 15.15 **Mindfulness: Stress Reduction and Glaucoma.** *Pfeiffer N., Germany*.

15.15 - 15.30 **New horizons in glaucoma treatment.** *Chan P.P.M., Hong Kong*.

15.30 - 15.45 **Innovations in the treatment of glaucoma in uveitis.** *Kochkorov A., Switzerland*.

15.45 - 16.00 **Innovations and personalized treatment of glaucoma (with the support of Viatris).** *Kurysheva N., Russia*.

16.00 - 16.15 **Responsiveness to Selective Laser Trabeculoplasty: the LiGHT China Trial.** *Yang Y., China*.

16.15 - 16.30 **Some innovations for preventing complications of glaucoma surgery.** *Traverso C.E., Italy*.

16.30 - 16.40 **The new improvements in Deep sclerectomy.** *Azzawi A., Germany*.

16.40 - 16.50 **Personalized surgery for glaucoma treatment.** *Petrov S., Moscow, Russian Federation*.

16.50 - 16.55 **Discussion.**

16.55 - 17.05 **Features of the posterior chamber in angle closure glaucoma: what is new in treatment.** *Liang Y., China*.

17.05 - 17.15 **Analysis of anterior chamber angle dysgenesis in juvenile glaucoma.** *Wang H., China*.

17.15 - 17.25 **New options in the monitoring and treatment of comorbid diseases.** *Kurysheva N., Russia*.

17.25 - 17.35 **Innovations in the pathogenesis-oriented treatment of glaucoma (with the support of Bausch+Lomb).** *Kurysheva N., Russia*.

17.35 - 17.45 **Artificial intelligence in screening for glaucoma and related ophthalmopathologies.** *Silva L., Guatemala*.

17.45 - 18.00 **Innovations in functional diagnostics of glaucoma and associated ophthalmopathology.** *Simakova I.L., Russia*.

18.00 **Final Discussion and webinar closing.**
